

MAHLE

Shipping Instruction

of

**MAHLE Industrial Thermal
Systems**

GmbH & Co. KG

Preamble

This shipping instruction is valid starting from 20.07.2022 for deliveries of goods to the under point 1 mentioned locations with the pricing term „EXW-Incoterms 2000 / 2010“ or „FCA-Incoterms 2000 / 2010“.

It includes all forwarder specifications for the global procurement logistics.

We reserve us the rights to modify the instruction if necessary. They are valid as soon as the new version has been placed on our internet platform under:

<http://www.mahle.com/mahle/de/purchasing/general-guidelines-for-suppliers>

We feel impelled to invoice you possible freight differences to our conditions in case the shipping instruction will not be observed.
